Fairfield Hills Campus

Ages: 5 & Up

On your MARK, Get Set, GO! Start training now for the 44th Annual ROOSTER RUN on Saturday, June 23rd at 8:00am! The Rooster Run/Walk will have the traditional 5K course, but this year you have the option for the 10K course as well as giving your little chickens a chance to run in our 100 Yard, Little Chicks Dash. The proceeds from this event will benefit the *Newtown Scholarship Association*. The race will begin and end at the Newtown Municipal Center. Entry forms and maps are available at the Newtown Parks and Recreation office. Register online or at the Parks and Recreation office. Online or walk-in registrations will close at 12:00pm on Friday, June 22nd. Registration will end at 7:45am on the day of the race. Fee on race day is \$30. Make it a family event, bring your

friends and cheer on your friends and family as they raise money for a great cause! This race/walk is for the elite to the novice.

Support the Newtown Scholarship Association!

*If you cannot run on this day, think about sponsoring this great event. With any contribution of \$100.00 and over, we will place your business/product name on the back of the office race T-Shirt. All contributions are tax deductible. Please make checks out to Newtown Parks and Recreation, and mail to 3 Main Street, Newtown, CT 06470.

Garden Party Sunday, May 20th

Join us from 1-3pm

All Ages | Free Event | Victory Garden,
Fairfield Hills

ACTIVITY: 314106 A

Join Newtown Parks and Recreation for this multi-generational, agricultural event full of tips and tricks for your garden! Learn about bee keeping, gardening, Newtown's very own Victory Garden and more! There will be activities for the children, refreshments and light snacks will be served.

NEWTOWN FRUIT TRAIL REAWAKENING 2018

Join us the weekend of:

April 28th & 29th

from 10am to 5pm for the very first gardening of the season.

Newtown Parks and Recreation, along with Andrew Mangold, will be hosting a day-long work-shop to wake up the Newtown Fruit Trail for 2018 after its long winter sleep. We'll be getting out very early this Spring to kick off the first garden session of the year.

Gather together to evoke your own gardening appetite as we dig into the thawing trail.

Join us in community at the Fruit Trail to get our hands dirty and our hearts alight for all of the growing to come. We'll tidy up the gardens, plant new trees, assess the health of our plants and evaluate tasks for the year ahead. We'll be removing winter tree cages, planting new bulbs, shrubs and flowers, and learning about each of the different species assembled at the trail. This is a great opportunity to gather insight for your own projects, to remain involved at the trail and get a jump start on your gardens at home. Participants will get hands-on practice preparing gardens and tending to perennial plants to jump-start your own projects and help in all of your yards and gardens to come.

We'll continue to make a home for butterflies, bees and birds at the trail, growing plants that feed the land and the people as one. This is a chance to get your first taste of Spring gardening, together in community! Join us as we celebrate fruits, flowers, trees and the joy of good work.

Last year, the trail surprised us with a glow of lavender that brightened the length of the trail. This year, we can expect another new spectrum of color as our perennial plants grow into maturity. We can look forward to our second season of public berries this summer, and we may get to begin counting the number of bird, bee and butterfly species that are making a home at the Trail. This is for the good of all! Come one hour, one day, or join us for the entire weekend; whether you are a garden expert or an inspired beginner; there is a role for everyone at the trail! Bring gloves and any garden tools you may want to use and share.

Don't miss out on helping with a project that has brought so much joy and growth to the Newtown Community

Spring Swim Team Ages: 6-15

This spring session of the Torpedoes swim team will focus on stroke technique improvement for the competitive swimmer and all strokes will be routinely practiced. On Monday and Friday, beginner AND "advanced" swimmers will focus on technique. The groups of advanced and beginners will be determined by ability and/or age. Advanced swimmers will build endurance via yardage while developmental swimmers will focus on starts, turns, and stroke technique. There are no competitions. Winter Torpedoes swim coach, Lester Frost is looking forward to working with you! This is not a learn to swim program, nor is it a swim lesson. Swimmers must be able to swim 25 yards and free style with rotary breathing before starting this program. Parents will not be allowed on deck, they are welcome to use the balcony.

Camp Battle-Lands

(formerly Camp Dagorhir) Ages: 8-14

This week of Battle-Lands- (formerly Camp Dagorhir) will be entirely focused on the fast-paced, sport-side of Battle-Lands. We will pace each session with continuous play, beginning with warm up games, and transitioning into rich battle scenarios. Campers will experience no lack of foam fighting this week. We will cycle many rounds of play, and every participant will have an opportunity to try out beautiful new armor. Teams will rotate frequently, and each camper will have a chance to lead their peers throughout the week. Please bring lunch, water and enthusiasm for the game we love. Campers are sure to increase their physical skills, which will be quite useful in our other camps that have greater emphasis on the role playing spectrum of play. The program will meet at the softball field behind the Dickinson playground.

Clays The Way! Ages: 7-10

Come play and learn about the properties of clay. We will be exploring a range of possibilities including the different techniques and methods used to hand build. Working with form, space, volume, texture, design and balance we will be developing our critical eye that helps us make informed choices. We learn to think like sculptors through deductive reasoning. We learn to look at form originally emerging from the material. Clay feels good! The experience of clay allows us to explore our sense of touch, sight, sound, and smell. In an era of digital technology, it is primary to come back to being directly connected to our hands in the molding process. *Please bring your own smock

Intermediate Knitting Circle for Adults

Ages: 18-99

For those who can cast on and knit garter stitch, and are ready to build more skills (or have completed the beginner course). Several projects will be created starting with an "oh so cute!" hat that can be made in sizes from children to adults, as well as a seamless project "knitting in the round" on circular needles. In this comprehensive, step-by-step, fun class, you'll learn to read patterns, check gauge, master more difficult stitches (including cables) and more! Students need to bring in size 10 (longer length preferred) straight needles and one skein (150 yards) of worsted weight yarn of their choice to start. Other materials needed discussed in class. Open to students from advanced beginner to advanced, students may also bring independent projects for help and instruction.

TaeKwondo

Taekwondo is a traditional martial art originating from South Korea. What does Tae Kwon do mean? Tae translated to "Foot", Kwon to "Hand" and Do translates to "The Way." Combined Tae Kwon do means "The Way of the Hand and Foot." Recognized by the Olympic Committee as an official Olympic Sport, World Taekwondo Federation had established 206 member nations. Physical benefits of Tae Kwon Do include increased overall fitness, strength, stamina, agility/coordination and flexibility. The Psychological benefits of TaeKwonDo include respect, discipline/self-control, increased self-confidence, perseverance, and determination. Our Motto is "CRISP Determination," standing for Courtesy, Respect, Integrity, Self-Control, Perseverance and Determination. There is an optional \$60 Belt Test, which is not mandatory. The test will be held on April 26th at 6:20pm. A separate check will need to be made out to DCH. This \$60 fee includes a belt, trophy and the test.

Aikido Ages: 8-99

Aikido will meet on Monday evenings from 7:15-8:30 and Saturday mornings from 9:15-10:30. We will have a somewhat flexible schedule due to travel. This is a mixed class of children and adults. Aikido is a gentle martial art that can be experienced and enjoyed by the whole family. The grace and power of Aikido comes from using the attackers force to throw him/her with minimal effort. The Aikido principles of balance, blending and non-resistance teach students to seek creative alternatives to conflict, both physical and verbal. By training in a supportive, non-competitive atmosphere, students will learn and experience: useful physical skills such as rolling and falling safely; creative conflict resolution, body awareness and practical self-defense skills; enhanced coordination of mind and body; improved balance and coordination; increased self-confidence and self-discipline while having fun along the way. In a world increasingly filled with stress and conflict, the lessons of Aikido are useful tools for both children and adults. We are associated with Berkshire Hills Aikido in Great Barrington, MA. Adults and children 8 years and older are invited to experience this special art form. For more information please call (203)-364-1380.

Futsal & Street Soccer Ages: 5-17

At Futsal and Street Soccer we only have one objective and that is to increase your Personal Skills to the next level. The priority in Futsal is to motivate players in an environment that is conducive to learning. The more pleasure kids derive from their participation, the more they wish to play and practice on their own. While their instinct to play is natural, their affection and appreciation for soccer must be cultivated. Futsal is the foundation to such goals because it: allows a player to frequently touch the one "toy" on the field, namely the ball.

What is Pickleball?

A paddle sport created for all ages and skill levels. The rules are simple and the game is easy for beginners to learn, but can develop into a quick, fast-paced, competitive game for experienced players. A fun sport that combines many elements of tennis, badminton and pin-pong. Played both indoors and outdoors on a badminton-sized court and a slightly modified tennis net. Played with a paddle and plastic ball with holes, can be played as doubles or singles.

Ken's Bio: Registered Pickleball Teacher throughout Connecticut & Westchester County. Accomplished Tournament Pickleball player competing at Open as well as 50 & Over Divisions both locally, regionally & soon in Nationals. Before coaching Pickleball, Ken was a Tennis Teaching Pro for over 28 years for both Juniors & Adults as well as to World Ranked Players.

Ken is very enthusiastic about helping beginners enjoy and learn the game as well as taking the Intermediate students to the Advanced tournament levels.

Pickleball is fun, easy to learn quickly at any age & is a very socially friendly game to play!

Pickleball for Intermediate Players

Ages: 17-99

This class is recommended for Adult Intermediate: We will focus on drills and exercises that work on improving your volley, 3rd shot, dink shot, lob, split step as well as serve and return. Short Game Golf Ages: 16-99

The short game makes up at least 60 to 70 percent of the shots in a given round of golf. Yet most people spend very little time practicing their short game or learning proper technique. This program will include work with pitch shorts (full, partial, lob or flop shots, uneven lies), sand play (greenside bunker shots, medium and long bunker shorts, uneven lies, firm v. soft sand, different club selection, buried lies and fried eggs) and more. The Golf Quest facility has a large putting green with chipping areas, a pitching green with both artificial and natural grass hitting areas, a greenside bunker and a fairway bunker. The newly constructed natural grass hitting area is ideal for practicing pitch shorts from fairway lies, from the deep rough, as well as a variety of uphill, downhill, and side hill lies. There is a maximum of 6 people per class so that students will receive more individual attention.

Fox Ridge Farm's Intro To Hunt Seat Horseback

Hunt seat is terminology used in the United States and Canada to refer to a style of forward seat riding commonly found at American horse shows. Along with Dressage, it is one of the two classic forms of English riding, including that seen in show jumping and eventing. This program is great for those looking to learn to ride, or for those coming back to riding.

2018 Teen Adventure Camp

June 25th to July 27th

Newtown Parks and Recreation is busy planning another adventurous summer for youths 11 to 15 years of age. All trips will include a T-Shirt, Drawstring Bag and bus transportation. We've already booked some great adventures, including Brownstone Discovery Park, Ocean Beach Park, Powder Ridge, Mystic Seaport, Empower, Hartford Yard Goats, and Paintball.

An itinerary will be posted online soon!

Drone Racing & Obstacle Course Challenge Ages: 11-13

Drone Racing & Obstacle Challenge: This program is filled with pure action as students enjoy one of the world's fastest growing sports, Drone Racing. Campers will first learn about the basic safety of drone flying and the history behind drone racing as a sport. From there, campers will progress through various skill challenges and learn how to perform various exercises and maneuvers to become familiar with the drone's speed and agility. Flight squads post up against one another in friendly competition when they race themselves and the clock. Students first maneuver the drone through creative obstacle courses before taking on the challenge of flying for speed. Participants contribute fully in this program as they create the design and help build the obstacle course in preparation for the last days' final activities and competition. All campers go home with interactive workbooks and plenty of DroBots Company Keepsakes and trinkets so the memories last long beyond the summer. Drone safety and social responsibilities of flying are included in this program.

Instructor: DroBots Company

Location: Middle School

Fee: \$280 for residents / \$295 for non-residents

Science & STEM

Wacky Robots & Widgets Ages: 7-12

Whether your child loves to build things or destroy them, this week of camp includes lots of both! Junior Mad Science engineers design and build structures using simple tools and their imaginations. Then the machine madness starts... children discover how different machines, both simple and complex are used in our daily lives! Kids design simple machines using pulleys, wedges, screws and levers and have fun learning how catapults work! We use the skills we've learned to build a Mad Science robot that we can keep, all while learning the science of robotics!

Superhero Science

Explore the science behind the powers that make someone a superhero. This camp combines science experiments, in rocketry, flight, machines, speed, forces, electricity, chemical reactions and much more! Create your own superhero costume and have your picture taken performing superhero feats to show your friends and family. Create a comic book with your own superhero story.

Instructor: High Touch High Tech

Take it Home With Me Ages: 7-12

In this hands-on, fun, and exciting program, you will discover how amazing science is. You will make and take home a wide assortment of toys designed to teach you science concepts in a hands-on way. Grow and take home a crystal tree. Make an energy bead bracelet and watch as those amazing beads turn from white to a rainbow of colors before your eyes. Build a working electric motor. Make your own sharpie pen T-shirt and learn some cool chemistry (student supplies a 100% cotton T-shirt). Make your own bubbling blobs and explore the properties of a density tube. Make silly putty, glowing goo green flubber and other cool projects. By the way...we will make ice cream in our own amazing, different, Scienational way!

Digital Art Plus Ages: 8-12

Splash! Create colorful, underwater scenes with sea turtles, sharks, seahorses and other creatures of the deep using clay, paint, craft materials and a variety of iPad art software. Learn to draw and paint with acrylics, watercolors and digital paints too. Construct polymer clay sea creatures, under the sea landscapes and enjoy related craft projects. Then add them into your digital artwork, which will include comic strip creation, animated video productions and more. Each day we will split the time between digital art/video and traditional arts and crafts activities. We will take a short snack break and play some art-related games too. Materials: All art materials are included. iPads will be provided for each student to use in the class, please bring your own arty smock for art activities and a snack/beverage for break. A stylus is optional, but useful for digital art.

Drawing Mixed Media

Join Paint, Draw & More! Fun camps that allow your child to express their creativity, while we teach them technical skills that help them blossom and build self-esteem through their artistic accomplishments. Our camps are fun, engaging and each project is developed with your child in mind. Each day is comprised of a full day of creating fine art; some of which may include drawing, painting, mask making, sculpture, bookmaking, cartooning, collage, print-making and group projects. Storytelling, music making and movement will also be added as time allows. Activities will take place in and outdoors depending on the weather. Students will explore a variety of mediums and be encouraged to break artistic boundaries and express their creativity in new and exciting ways. A compilation of the week's activities may end up in an art show or small performance for the parents. During our camp session we will have a lunch break and play art and theater games. Camps will run Monday through Friday and are open to a maximum of 10 students per age group, per session. Students may sign up for continuous weeks and not repeat camp activities. The teaching staff is comprised of skilled area artists trained by Paint, Draw & More! Parents please provide lunch, snack and smock for all camps listed below.

Soccer & Street Soccer

Futsal & Street Soccer: Futsal Soccer

Futsal Soccer: At Futsal and Street Soccer we only have one objective and that is to Increase your Personal Skills to the next level. The priority in Futsal is to motivate players in an environment that is conducive to learning. The more pleasure kids derive from their participation, the more they wish to play and practice on their own. While their instinct to play is natural, their affection and appreciation for soccer must be cultivated. Futsal is the foundation to such goals because it: allows a player to frequently touch the one "toy" on the field, namely the ball.

Short Game School Ages: 16-99

The short game makes up at least 60 to 70 percent of the shots in a given round of golf. Yet most people spend very little time practicing their short game or learning proper technique. This program will include work with pitch shorts (full, partial, lob or flop shots, uneven lies), sand play (greenside bunker shots, medium and long bunker shorts, uneven lies, firm v. soft sand, different club selection, buried lies and fried eggs) and more. The Golf Quest facility has a large putting green with chipping areas, a pitching green with both artificial and natural grass hitting areas, a greenside bunker and a fairway bunker. The newly constructed natural grass hitting area is ideal for practicing pitch shorts from fairway lies, from the deep rough, as well as a variety of uphill, downhill, and side hill lies. There is a maximum of 6 people per class so that students will receive more individual attention.

Horseback Riding & Camp Battle-Lands

Camp Battle-Lands

(Formerly Camp Dagorhir) Ages: 8-14

This week of Battle-Lands- (formerly Camp Dagorhir) will be entirely focused on the fast-paced, sport-side of Battle-Lands. We will pace each session with continuous play, beginning with warm up games, and

transitioning into rich battle scenarios. Campers will experience no lack of foam fighting this week. We will cycle many rounds of play, and every participant will have an opportunity to try out beautiful new armor. Teams will rotate frequently, and each camper will have a chance to lead their peers throughout the week. Please bring lunch, water and enthusiasm for the game we love. Campers are sure to increase their physical skills, which will be quite useful in our other camps that have greater emphasis on the role playing spectrum of play. The program will meet at the softball field behind the Dickinson playground.

Advanced Canine Good Citizen/Therapy Ages: 14-99

The Advanced Canine Good Citizen (CGCA) title is part of the AKC's Community Canine Program, and is designed to evaluate a dog's real world skills in a natural, community setting. Dogs MUST have an AKC number and proof of the Canine Good Citizen (CGC) award/title on record at AKC. Details can be found at www.akc.org. Testing for the CGCA is included in the fee. While therapy groups do not require CGCA certification, we believe mastering the advanced skills covered by the CGC and CGCA curricula will aid in obtaining therapy certification offered by various therapy dog groups. NOTE: Therapy dog certification is required by most health-care facilities and schools for vesting dogs and handlers. Most therapy dogs groups will not certify dogs less than a year of age.

Infants - Must be accompanied by parent or caregiver. Designed for children 19 months to 48 months, the program builds swimming readiness by emphasizing fun in the water. Parents and children participate in several guided practice sessions that help children learn elementary skills, including water entry, front kicking, back floating, underwater exploration and more. Once children can perform basic skills without parental assistance, they may begin Learn-To-Swim. Note: Make up can be made up at any other sessions, just let the instructor know.

Victory Garden

Supporting Newtown's Food Pantries

Your help is needed to produce fresh produce to the food pantries in Newtown.

The food pantries provide food to over 2000 residents of Newtown. The pantries are exclusively for the use of Newtown residents. Presently most of these foods are canned, dried or frozen. Last season the Victory Garden provided over 3,500 pounds of fresh, healthy produce to our neediest families.

The Victory Garden has doubled in size, and thanks to some very generous donors, the new garden has high tensile steel woven deer fencing. The Parks & Recreation Department cultivates the soil, and provides irrigation. The site has full sun, and parking is nearby.

The Victory Garden is supported by the Town of Newtown and the Newtown Parks and Recreation Department.

Donate: All donations are made through the Parks and Recreation Department: Park Gift Fund, Memo: Victory Garden.

Some guidelines of the garden:

- Volunteers should form teams, and will be given a 150 square foot plot of garden. The produce will go directly to the food pantries. Share the work with a team; learn from each other and other teams.
- Each team should have a placard/sign on its row with a team name. The funnier the better!
- There are no fees associated with the garden.
- No non-organic herbicides or pesticides are allowed in the garden. Fertilizers are allowed.
- Help with the garden preparation and planning.
- Are you an experienced vegetable gardener? Teach novice gardeners and students. Hold a workshop or class at the garden.
- Students needing volunteer hours are welcome along with Girls Scouts and Eagle Scouts projects.
- No time to commit to owning a row? The uncommitted can garden without owning a row but help others with community or shared rows.

To sign up to "Own a Row," or to help in other ways, contact:

Victgarden17@gmail.com or call 203 470-4150

Please note, last year's volunteers get right of first refusal

Together, let's make The Victory Garden the Best of Newtown!!

Transition Initiative

The Transition Initiative is a vibrant, grassroots movement that seeks to build community resilience in the face of such challenges as peak oil, climate change, and the economic crisis. It represents one of the most promising ways of engaging people in strengthening their communities against the effects of these challenges, resulting in life that is more fulfilling, equitable, and socially connected. Transition Initiatives engage their communities in home grown, citizen led education, action, and planning to increase local self-reliance and resilience. Now is the time for us to start re-creating our future in ways that are based on localized food, sustainable energy sources, resilient local economies and an enlivened sense of community wellbeing.

For more information contact Barbara Toomey bhtoomey@yahoo.com 203-364-1380.

For up to date changes in any program regarding weather sign up for *up-to-date* information at www.newtown-ct.gov.

Refund Policy

All programs are self-supporting and a commitment needs to be made to instructors and staff. Therefore, NO REFUNDS will be given after the start of a program EXCEPT for medical reasons, upon receipt of a physician's note. A physician's note should be given to Parks and Recreation at the time of the incident; they will not be accepted after the program is completed. Communication to Parks and Recreation at onset of the condition is required. Refunds for cancellations made within **one week prior** to the start of a program are issued, but a \$10 processing fee will be charged. No refunds will be given once a program is complete. (NO EXCEPTIONS).

Please Note:

- All Parks and Recreation programs are on a first-come, first-served basis.
- Parks and Recreation does not send confirmations. No news is good news! Please assume you are registered for the program(s) you have selected. You will be contacted only if there is a problem.
- Parks and Recreation cannot be responsible for loss of mail or postal delays; please register online.
- Program participants are reminded NOT TO PARK IN FIRE LANES, per order of the Fire Marshall. Fire lanes are those areas in front of each school which are painted yellow.
- When participating in a program at the Teen Center please park in front of the Teen Center ONLY. Do not park in front of businesses.
- Program participants must enter and exit buildings through designated, secure locations.
- Sign up to receive our recreation brochure and recreation cancellations at www.newtown-ct.gov, by subscribing to E-Alerts.. Follow instructions on the web page, or call 203-270-4340.
- The Newtown Parks & Recreation Commission meets the second Tuesday of each month. Public input is welcomed at these meetings.
- If a participant displays unruly behavior, he / she will be asked to leave the program and NO refund will be given.

Do Not Wait Until Last Min.

Nothing spoils a good program quicker than everyone waiting until the last minute to register. If there are not enough registrations by a certain date, the program may be canceled. Please register early.

Cancellation Policy

Programs held at the Newtown Schools follow the school schedule. Therefore, if schools are closed or canceled then Parks & Recreation programs at the schools will be canceled. Programs held at the Newtown Teen Center, Newtown Youth Academy or an offsite location ***do not always follow the school schedule***. In the event of inclement weather or other factors beyond our control, programs may need to be canceled. If program(s) are canceled; in most cases make up sessions will be offered. If you cannot attend the makeup session no refunds will be given. Please sign up for our Recreation E-Alerts on our website www.newtown-ct.gov.

Residency Defined

A person whose primary residence, *either as an owner or renter*, is considered a Newtown resident.

No exceptions to this rule.

Proof of residency is required.

Non-Resident Policy

Non-resident registrations will be accepted at the beginning of registration, however there are limited spots. Not all programs allow for non-resident participation.

- Non-residents will be required to pay an additional \$15.00 per program.

Photo Release

Newtown Parks & Recreation Department and the Newtown Bee may video tape or take photos of participants enrolled in our programs. These photos/videos may be used for promotional purposes.

Inclusion Statement

In an effort to meet the recreational needs of all residents of Newtown, the Parks & Recreation Department has adopted a policy of inclusion. Although some facilities are not yet wheelchair accessible every attempt will be made to accommodate and encourage people with disabilities to participate in our programs. Please use comment section on the registration form detailing your circumstances.

Join in on an *adventurous* summer

This five week camp promises to be an exciting adventure and an adventurous summer experience.

The all inclusive camp fee includes admission and transportation for all field trip adventures. Each camper receives a field trip draw-string bag and a T-shirt to be worn on every field trip.

Campers venture out to different locations, playing sports, climbing trees, zipping through forests, canoeing through caves, and even taking a trip to our local Eichler's Cove Beach, where they make their own raft!

This year Nicole Nicholson will be the Camp Director, and home base will be Dickinson Park.

Teen Adventure Camp caters to Teens,
ages 11 through 15!
